

## **2018 SPONSORSHIP OPPORTUNITIES**

*Can we count on your support?*

Dear Community Leader:

WV Health Right, the state's oldest and largest free and charitable clinic, provides primary and specialty medical care, dental, vision, behavioral health, pharmaceutical, and health educational services to more than 25,000 low-income adults from 34 south-central West Virginia counties. In addition to our clinic in Charleston, we operate a mobile dental clinic to provide much-needed dental care to low-income residents of Boone, Clay, Harrison, Logan, McDowell and Roane Counties.

As a nonprofit service provider for 36 years, we rely on the generous support of organizations such as yours to help fulfill our critical mission. Enclosed is information on sponsorship opportunities for two of our upcoming events:

- **Volunteer Appreciation Gala on August 24**, which will recognize Dr. Michael Tupta as our 2018 Volunteer of the Year, as well as our dedicated team of medical volunteers. We are expecting 300 guests from across the community to join us for this special occasion.
- **WV Health Right/RAM Free Clinic on October 20-21**, a two-day free clinic that will provide vision, dental and medical care to those across our community who cannot afford it. More than 400 medical/dental/vision providers will provide free care to more than 1,000 low-income West Virginians in need during the two-day period.

*Can we count on your support?*
