Mission

The WV Health Right Mobile Dental Clinic travels to McDowell, Boone, Logan, Clay, Harrison and Roane counties twice a month to serve low-income adult patients, aged 18+, who need fillings, extractions, or dental cleanings. We do not treat children. We do not provide partials, dentures, or oral surgery. Our goal is to relieve dental pain and infection, thus, improving the oral health of impoverished adults in rural West Virginia.

A copy of your last tax return or proof of non-filing status must be provided prior to your appointment. Currently the income guidelines are as follows:
