

WV Health Right Sponsorship Opportunities

2022

WEST VIRGINIA
Health Right INC.

Dear Community Leader,

WV Health Right, the state's oldest and largest free and charitable clinic, provides primary and specialty medical care, dental, pharmaceutical, vision, behavioral health, substance use disorder care, health education, and mobile dental services to more than 40,000 low-income, uninsured and underinsured individuals from 34 south-central West Virginia counties. Our locations include three clinics in Charleston and seven mobile unit sites in the region. We are committed to making free quality, comprehensive healthcare accessible to as many West Virginians in need as possible.

As a nonprofit service provider for 40 years, we rely on the generous support of organizations such as yours to help fulfill our critical mission.

Enclosed is information on sponsorship opportunities for two of our major annual events:

WV Health Right/RAM Free Clinic

On June 4-5, 2022, we're partnering with Remote Area Medical (RAM), a major nonprofit provider of no-cost pop-up clinics, to host a free two-day event at which more than 600 providers will offer vision, dental, and medical care to those across our community who cannot afford it. Based on previous attendance, we anticipate providing care to more than 1,000 medically underserved individuals during this two-day period.

Volunteer Appreciation Dinner

Every year, we look forward to coming together to honor those who make our work possible. Attendees gather for an evening filled with celebration, great company, and a delicious, multi-course meal at the Clay Center. Our 2022 event will take place in November. Date TBD.

Can we count on your support to ensure that our most vulnerable neighbors have access to the care they need and deserve?

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Angie".

Dr. Angie Settle, DNP, APRN, BC-FNP
CEO/Executive Director
