

WEST VIRGINIA

Health Right^{INC.}

Sponsorship Opportunities | 2026

To Our Generous Community Supporters,

WV Health Right, the state's oldest and largest free and charitable clinic, provides primary and specialty medical care, dental, pharmaceutical, vision, behavioral health, substance use disorder care, health education, and mobile dental services to more than 47,000 low-income, uninsured and underinsured individuals from 35 south-central West Virginia counties. Our locations include three clinics and a COMMUNITY Wellness Center in Charleston and six mobile unit sites in the region. We are committed to making free, quality, comprehensive healthcare accessible to as many West Virginians in need as possible.

As a nonprofit service provider for over 40 years, we rely on the generous support of organizations such as yours to help fulfill our critical mission.

Enclosed is information about sponsorship opportunities for two of our major annual events, as well as our Mobile Teaching Kitchen:

#WeCareWV Day at WV Health Right

On October 17, 2026, we will host a free one-day event where providers will offer vision, dental, and medical care to those in our community who cannot afford it. Based on previous attendance, we anticipate providing care to more than 500 medically-underserved individuals during this one-day period.

Volunteer Appreciation Dinner

Every year, we look forward to coming together to honor those who make our work possible. Attendees gather for an evening filled with celebration, great company, and a delicious, multi-course meal at the Clay Center. We're proud to honor volunteers at our 2026 Volunteer Appreciation Dinner on Sunday, December 6, 2026.

Mobile Teaching Kitchen

Powered by community partnerships, clinical expertise, and a bold vision for a healthier West Virginia, our Mobile Teaching Kitchen meets people where they are—in churches, schools, neighborhoods, festivals, and community events. Our Mobile Teaching Kitchen helps individuals and families learn how to cook nourishing meals, understand the role of nutrition in long-term health, and access preventive care services.

Can we count on your support to ensure that our most vulnerable neighbors have access to the care they need and deserve?

Thank you for your consideration.

Sincerely,

Dr. Angie Settle, CEO

Mobile Teaching Kitchen Sponsorship Opportunities

West Virginians are taking health into their own hands.

By combining practical skills with trusted local engagement, the West Virginia Health Right Mobile Teaching Kitchen is building lifelong tools for wellness.

“ West Virginia Health Right’s new Mobile Teaching Kitchen represents the kind of innovative, community-centered approach that can help tackle chronic illness and promote lasting wellness across the state. ”

— Patrick Morrisey, Governor of West Virginia
